

## Student Activities, 1988-1989

### Dragon Alert

Students of the Manufacturing Technology shop created a dragon for display in the fig trees in the Common Area. (above)

### Go Blues Go!

Students, under the supervision of Mr. Brent Read, earned credits in a Learning Enrichment Program as part of a special project. They designed and created the “Blues” mural in the Big Gym 100 using a range of blue and white school colors in a visually pleasing way. (right & below)

The Timmins High student body gathered on the football field to say their “Merry Christmas” message in a visual way. (above)
