Boys' Hockey at Timmins High, Quill 2003-2004

After a trial season, boys' hockey is back again in a league with the Theriault Flames, RMSS Rebels and New Liskeard (TDSS). The O'Gorman Knights dropped out this year due to a lack of funding. The Blues had a winning record against New Liskeard and Theriault while the real battle was between the Blues and the RMSS Rebels where every game was very close. The Blues also went to 2 tournaments in North Bay and in Mississauga. The boys, under the direction of coaching staff Mr. Bill Swain, Mr. Mickey Pirie and Mr. John Labine, are hoping to advance to the provincial championship competition at OFSAA.
