

## The CN Tower Run, September 28 to 30, 1978

### The Timmins High CN Tower Run Was A Feat for History!

Could any of us ever forget the journey our Senior Boys' Basketball Team and a few Cross-Country runners endured for us? They ran a fifty-two hour relay marathon from the top of the CN tower in Toronto to Timmins' very own City Hall where they were welcomed by Principal Bob Sampson, City officials, and 1,000 students, parents and citizens. .

While they ran, the rest of us trudged the streets of Timmins getting pledges to make the boys' efforts all worthwhile. Approximately \$14,000 was raised for the school. Prizes were offered for collecting pledges. The first prize, a ten-speed bicycle, was collected by Peter Greco who collected \$551.30. Placing second was Darlene Dredhart who collected \$375.00, and third were Paul Campbell and Peter Vaillancourt, who as well as running, still managed to collect a grand total of \$200.00. The CN Run was a feat for history!
