Food for Friends Quill 2005-06

Every year on the last school day before Christmas holidays, Timmins High students participate in "Food 4 Friends", a drive held to collect food for the local food banks.

Students and staff were picked up by buses, and brought to different parts of the city. They went door-to-door and asked for food donations. At the end of the day, the students brought in 6,943 pounds of food.
