

Girls' Hockey at TH&VS

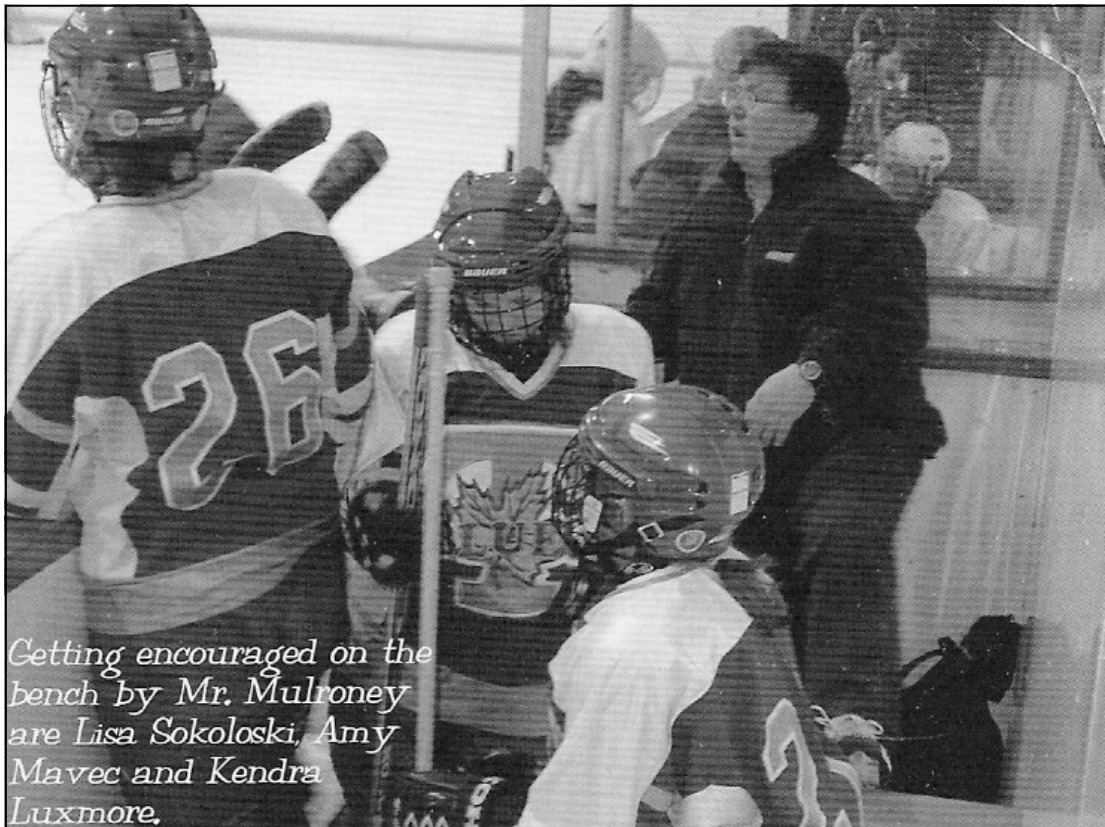

Charge! Lisa Sokoloski plays the puck into the corner as Lindsay Rheault and Ashley Kirly swarm into the offensive zone.

Quill 2003-2004:

This is the second season for girls' hockey, after a successful trial season last year. Even though there are only 2 teams (Timmins High & Theri-ault) and intense rivalry, they seem to enjoy themselves. As they battle through the bumps and bruises, the girls continue to fight for victory on the ice.

Getting encouraged on the bench by Mr. Mulrone are Lisa Sokoloski, Amy Mavec and Kendra Luxmore.
