Volume 1

Take a walk down memory lane....

Check out www.thvsalumni.ca the new site for information about the TH&VS Alumni Association and how it is helping TH students to achieve and excel while at high school.

Watch this short video on YouTube to learn more about the newly-updated THAA website that is now active: <http://youtu.be/9KU8RynHks0>

It was time for a change!

The previous website was dedicated to TH&VS Homecoming, the last reunion in August 2012, when 900 alumni came back to Timmins to renew acquaintances and share their memories of high school.

Kristen McNulty, a 2003 TH grad who designed the new THAA website, credits her time at Timmins High, the influence of her teachers, and her co-operative education placement with giving her the strong educational foundation and confidence she needed to succeed in business and in life.

With an educational background in business and computers, Kristen McNulty of Jumpstart Media in Timmins (right) assists clients across Canada in growing their businesses and organizations through branding, social media marketing, digital content creation (including photography and videography), website design and business and IT consulting.

TH&VS over the years

What is the THAA?

The Timmins High & Vocational School Alumni Association (THAA) is a non-profit charitable organization that was established in 1999 by a group of alumni and former staff members of TH&VS. Currently there are eleven board members and the TH&VS principal serves in an advisory role to the Board.

What We Do

The THAA is responsible for the sustained growth and income disbursement of the funds it receives yearly. In return, as a registered non-profit charity, it issues tax receipts for any donations. With input from the staff and administration, THAA provides approximately **\$14,000** annually in scholarships and funding for special projects such as the school robotics program, athletic jerseys, white boards for classrooms and upgrading audiovisual equipment in the theatre.

The THAA keeps its connection to TH&VS alive by publishing an annual alumni newsletter, maintaining a website for TH&VS alumni (newly-updated) (www.thvsalumni.ca) and supporting school reunions.

Want to Donate or Create a TH&VS scholarship?

The process for creating a scholarship for TH&VS students is an easy one. While there are several options depending on the size of the investment, most scholarships are based on the interest generated annually by the investment of funds with the THAA. As a charitable organization registered with the Canada Revenue Agency, we will issue a tax receipt for the total donation. Contact us at info@thvsalumni.ca. TH&VS Student Services assist the donor in establishing criteria for the award.
